Society consists of the rich as well as the poor people. It is God's purpose that the wealthy and the poor should be closely bound by the ties of sympathy and helpfulness. We are expected to be mindful of the sufferings of the needy people that we see or come in contact with. God does not condemn the rich man because he is rich. Wealth is not bad. Wealth is given by God as a gift.

Games and sports are great builders of health and character. Physical development is as important as mental growth. Games and sports help us in the development of the body as well as the soul. That is why every system of education lays much stress on the utility of games and sports in life. It helps us in the development of a sound mind in healthy bodies. A person with a healthy body can perform his duties of life better.
