My five-year-old daughter Mini cannot live without talking. I really believe that she has not wasted a minute in silence during her whole life. Her mother is often annoyed at this and would like to stop her from talking so much, but I would not. It is unnatural of Mini to be quiet and I am not able to bear it. And so my own talk with her is always lively.

This is the story of Rita, Pema and Sunita, three friends who share a room in a hostel. They are good friends. They help each other and share everything without any problems. Their normal life is disturbed when Rita has fever constantly. She is admitted to a hospital. After a few days the temperature comes down, and she wants to go home, but the doctor suggested more tests to find out why Rita has been so sick.
